

MEDIA RELEASE

By submitting this invention for participation in Invent Idaho, Parent/Guardian/Trustee gives permission for their young inventor's picture and/or name to be given to the media for purposes of promoting Invent Idaho and/or the National Invention Convention. This includes book, magazine, newspaper, website, Facebook, or other media. I understand that there will be no payment for or monies given for any such use. NO child's address will ever be given out. Their school may be listed. Parents who believe their child's invention may be marketable may want to obtain a provisional patent to protect the idea prior to exhibiting this invention. Visit U.S. Patent Office website for information. Note: pictures will be taken of all winners on stage, audience and young inventors, which may be viewed in media, Facebook, You Tube, or other formats.
